# Reasons leading publishers choose AdPortal Public Notices

# 5

## 1 World class user experience keeps customers happy

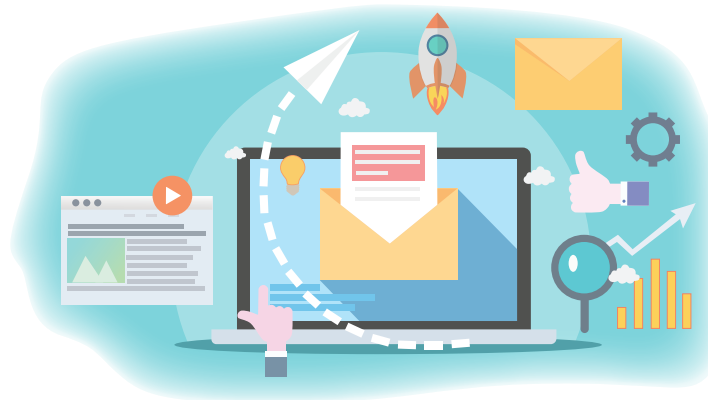

Nearly two decades of customizing and optimizing self-serve order entry has been applied to automating public notices. Now anyone can place an order, whether a call center, law firm or the county.

## 2 Support for bulk uploads makes it faster

Need to enter 50 orders quickly? No problem. Bulk uploading is built in to the software.

## 3 Completely automated affidavits makes it easy

AdPortal uses the most advanced technology that seamlessly automates every aspect, including notarization.

## 4 Publishers control the customer relationships

Don't lose sleep over third party software taking ownership of customers. AdPortal is fully white-labeled and customized so your franchise stays in-house.

## 5 Flat fee pricing yields higher margins

Unlimited public notices for one monthly fee. Publishers keep more of the revenue because they never pay more no matter the volume of orders.
